General – Camp is not a place to make a fashion statement. Clothing should be neither extreme nor provocative.

* **Swimsuits** – Girls should not wear bikinis or any suits that are extreme or immodest; guys should not wear Speedos or trunks without a drawstring and liner.

Tuck Money – Do not bring any money! Tuck is no extra charge. T-shirts and souvenirs are available for purchase on the first and last day of camp (during camper drop off and pick up). Crafts do not require additional money.

Please do not bring – Gum, cigarettes, matches, lighters, unshelled sunflower seeds, Ipods or MP3s, cell phones or other electronic gear, pocket knives or expensive jewelry. **The camp is not responsible for lost, damaged or stolen items.**

How to pack – **Please label all items** with the camper's name! If possible, all articles except bedding should be packed in one suitcase or duffel bag. Bedding should be secured in one well tied roll. If using garbage bags, double them up and send extra bags for the trip home. All items must be labeled. *Please send this list with the camper to camp so they can check off items when they pack to go home.*
